Division of Capiz

Dear SDS Bermejo,

Blessed Greetings!

Programa Genio is the educational advocacy arm of ABS-CBN Lingkod Kapamilya Inc (ALKFI). It is committed to working with public elementary and high school children and communities nationwide to discover and develop the inherent genio or genius in every child. We focus and help with a HEART. H-health. E-education. A-access and equity to quality education. R-reaffirming hopes and dreams of tomorrow. T-training stakeholders in nation (re) building.

Programa Genio supports the Republic Act No. 10533. An act enhancing the Philippine basic education system by Strengtening Its Curriculum and increasing the number of years for the Basic Education" is otherwise known as the " Enhance Basic Education Act of 2013".

We have a new program called "Strengthening the Senior High School". We support the said program by working with the Grades 10 to 12, through our Career Coaching. We also provide Teacher Training based on the needs of the schools. Providing some of the Tech-Voc equipments is done depending on the availability of our budget since we also rely on the generosity of our donors.

In connection to this, we would like to seek your valuable inputs and nominate 4 schools in your Division. The location of the schools are in the following municipalities: Ivisan, Sapian and Mambusao. As part of our implementing guidelines for the nomination, we would like to work with the schools that are struggling in the implementation of the K-12 and economically disadvantaged students/community.

May we kindly ask your assistance in providing us valuable information that can help us evaluate the schools you will nominate. We would like to know the school population per grade (Grades 7 to 12), total number of Junior and Senior High teachers, Track, Strand and Specialization offered in the school. It would be a big help if you can also provide us pictures of the schools. We will also request the name and contact number of the School Principals.

Ma'am Angging & Sir Marlon,

Please recommend the 4 schools that we're going to nominate, based on set guidelines. ty
