## MESSAGE

I wish to convey my warmest congratulations to the completers and graduates of Batch 2018. It is my great pleasure to celebrate with you and your family the joy of your achievement.

Graduation/completion is a significant occasion in one's life. It is not the end, but rather a beginning of a more challenging event that requires more efforts and sacrifices. This new chapter offers more opportunities to clutch and a bigger world to deal with. Armed with positive attitudes and strong determination, I believe that it would be easy for you to conquer the world. The knowledge, skills and abilities you learned from school grid the road for your better and brighter future.

This school year's graduation theme, "**"Mag-aaral ng K to 12: Handa sa Hamon ng Buhay (K to 12 Learners: Ready to Face Life's Challenges)**" emphasizes your readiness to face life's opportunities ahead. With the 10 plus 2 years in formal education, your skills were honed, attitudes were polished. You have become responsible citizens of nation who shall model the youth and form part in nation-building and positive transformation. Henceforth, since you embody the virtues of matured individuals always take pride to do what is right and imbue the power of positivity in whatever endeavor you may take after graduation. Always consider your family on top of your priority and never forget to seek God whatever you may be into. Life has so much to offer. Enjoy each chance that makes you a better person. Refrain from bad influences and be humble in every success you attain.

Finally, as you move forward, do your best and don't be afraid of failures. Learn the best lesson from every mistake and compensate it with an exemplary performance. Grab every opportunity and make the most out of it. The world awaits you to shine.

God bless and enjoy this victory!
