MESSAGE

My sincerest congratulations to our completers and graduates of batch 2019.

After years of hard labor, all your struggles and sacrifices paid off. Once again, you make your parents and alma mater proud of you for what you have achieved so far.

Your Completion / Graduation is a celebration of your success as well as the triumphs of your parents, guardians, teachers, school heads and other stakeholders for their untiring support as you face and overcome the challenges in your continuing pursuit of achieving your aspirations in life.

This year's theme, "*Pagkakaisa sa Pagkakaiba-iba: Kalidad na Edukasyon para sa Lahat* (Unity in Diversity: Quality Education for All)," profoundly conveys a message that despite our differences in many aspects whether physical, cultural, linguistic, social, religious, political, ideological or psychological, we should unite and work hand in hand to achieve quality education for all as our common vision. Your unique potentials inspire the Department of Education, at all governance levels, to continuously improve the delivery of education that you deserve.

Dear completers / graduates, as you are about to start another chapter of your lives, take along with you the valuable teachings of your parents and teachers, especially on the desirable values and virtues of hard work, patience, honesty, integrity, responsibility, fairness, humility, gratitude, respect for others, and many more. Always remember that the development of these values and virtues is the key to personal, academic, and professional success in life.

Again, my congratulations and may our great Lord bless you on your journey towards achieving your dreams.
