Dear Mr. Ochavo,

Greetings from Yogyakarta!

It is with great pleasure informing you that the forthcoming international **Jejak Tabi Exchange 2020** will be held in Roxas City from **January 22-25, 2020**.

Jejak-Tabi Exchange (JTE) is a theater and performance festival that brings together artists in Asia to share, exchange and explore critical ideas and practices within the framework of connecting two particular cities, in this case Roxas City and Naha City in Okinawa, Japan, through a program that includes film screenings, symposia, dialogues, a workshop and a performance. The inaugural edition of JTE connected Yogyakarta (Indonesia) and Kuala Lumpur (Malaysia) in 2018, shedding light on similarities and differences, shared histories and divergences between the two cities.

In connection with this, we wish to invite **50** senior high school and college teachers, specifically SPA and Mapeh teachers, and those teaching Humanities to attend the following:

CONFERENCE (FREE to 100 teachers maximum)
