Regional Advisory No. D16 s. 2020
 January 31, 2020

This advisory is issued for the information of
 The Schools Division Superintendents
 [Schools Division Offices]

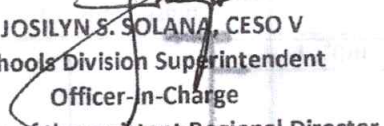

AWARENESS ON EMERGING CASES OF NOVEL CORONA VIRUS

Since the emergence of this virus, everybody should be cautious and be vigilant in reporting suspected cases in your respected area of responsibility and likewise, the school populace are advised to immediately seek medical attention when experiencing signs and symptoms of the dreaded virus such as respiratory symptoms, common colds, fever, cough, shortness of breath and breathing difficulties. In severe cases, it can cause pneumonia, acute respiratory syndrome, kidney failure and even death.

The Department of Health [DOH] advised all citizens that to boost our immune system we need to stay healthy like complete balance diet, enough rest and exercise, hand washing, stay in door and keep away from crowded places.

We are requesting our Division School Health section personnel to conduct health advocacy and precautionary measures to their respective schools.
