Programa Genio seeks to achieve its goals by providing a holistic school development. It is involved in curriculum enhancement, teacher training and learning resource development.

In this light, we would like to seek approval if we can arrange a video conference to all the teachers in the 10 schools that Programa Genio adopted this coming August 8, 2020 (Saturday) at 9:00am via Google Meet.

Thank you so much SDS Ochavo, If you have questions about this e-mail you can contact me via mobile 0916-563-2206. Thank you so much Sir and God Bless.

Respectfully yours,

Erwin Felipe
