Dear Dr. Ochavo:

Greetings from the Department of Information and Communications Technology – Western Visayas Regional Office!

In accordance with the Republic Act 10929 known as the “Free Internet Access in Public Places Act”, DICT covers the installation of free Wi-Fi Internet access in public places and aims to accelerate the government’s efforts in enhancing Internet accessibility including *Maayon National High School*.

To ensure that network issues among all installed Free Wi-Fi sites in the province of Capiz are addressed timely, we are inviting your designated project coordinator/s for the **Training on ICT Coordinators on November 17, 2020, 8:30 AM – 12:00 NN** via Zoom App.

The training will orient our project coordinators on the following topics:

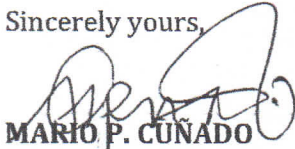

1. About the Free Wifi Project and Site Coordinators Roles
2. Network Setup of Free WiFi sites
3. Escalation Matrix for Network Issues
4. Basic Network Troubleshooting

May I request the assigned Site Coordinators of Maayon NHS, Ms. Teresita Dapulase and Mr. Anthony Dueñas to fill up this google form: tiny.cc/SCTRegistrationForm2.

Should you have further questions, please contact **Engr. Lorwell S. Onglatco (09173243344)** and **Joanna Marie Vicedo (09207823148)** or through email at lorwell.onglatco@dict.gov.ph

Thank you very much and we are looking forward to our collaboration in ensuring network reliability in the province!
