SCHOOLS DIVISION OF CAPIZ

DIVISION ADVISORY No. 032, s. 2021
February 2, 2021

To: Public Schools District Supervisors/Officers-In-Charge of the District

In compliance to DepEd Order No. 041, s. 2020 on the **Guidelines on the Implementation of the School Dental Health Care Program, Including Medical and Nursing Services for School Year 2020-2021** which aims to address the high prevalence of dental caries and other health problems during the pandemic, the Department has deemed necessary to provide basic preventive and curative health services among learners and personnel.

Since the initial medical & dental supplies & equipment have been delivered to identified school clinics, monitoring of the said 18 established school clinics will be conducted by health personnel to check the set up and compliance to minimum health standards.

Rest assured that this activity will be done according to the prescribed health protocol as specified in DO 14 s. 2020.
