DEPARTMENT OF INFORMATION AND
COMMUNICATIONS TECHNOLOGY

February 9, 2021

DR. SALVADOR O. OCHAVO, JR, CESO V
Schools Division Superintendent
Schools Division of Capiz
Banica Road, Roxas City

Dear Dr. Ochavo:

Greetings from the **Department of Information and Communications Technology!**

The ICT Literacy and Competency Development Bureau (ILCDB) of the Department of Information and Communications Technology (DICT) will be conducting a **Cybersecurity Competency Framework Online Course**, on **February 15-19, 2021** from **9:00 A.M. to 12:00 NN.** via Zoom App.

The **Cybersecurity Competency Framework** is a seminar-workshop that is about the questions of understanding on the legal, management, and technical capabilities to deliver and support the key result areas of cyber security. It deals with the control of the information security risks of a business enterprise or government agency. It also provides the foundational framework on what are considered by rules and standards in concept, principles, organization, life cycle, process, documentation, metrics and technologies of securing the people, data, application and infrastructure of the enterprise or agency against cybercrime and data privacy breach.

In line with this, we would like to invite your Data Protection Officers/Information Security Officers or designated personnel that handles or manages your organization's data and information to join the said online course. Since there is a limited number of slots, may we request your school's participants to confirm their attendance and register on or before February 12, 2021. For confirmation, kindly accomplish our online Registration form through these links: <https://bit.ly/dict-cybersec-b2-2021> or <https://bit.ly/dictCyberSec2021-B2>

For other inquiries, please email our course facilitator at schweizer.severo@dict.gov.ph

Thank you and we hope to hear from you soon.

Very truly yours,
