PREMIER MANAGEMENT ENGINEERING ORIENTATION 2021

The Ateneo Management Engineering Association (MEA), the home organization of Management Engineering students of the Ateneo de Manila University, will hold its Premier Management Engineering Orientation (PriME) 2021 on May 7–8 and 14–15, 2021.

PriME is a nationwide orientation seminar for top performing high school students from both public and private high schools. It aims to impart knowledge about the Management Engineering Program through various talks and activities. This year, PriME will be divided into a 4-day (2 weekends) online event and a free-for-all website.

The orientation seminar aims to aid in the career development of Filipino high school students by showcasing what the Management Engineering program is all about.

The target participants are the top performing high school students from public and private schools. To make this opportunity more accessible to all Filipino high schoolers, PriME will be sponsoring the WIFI of 20 public school students for the duration of the event.

The participant's application form and other information about PriME 2021 can be found through their official website: <http://www.meaprime.org>.

Participation of public and private schools shall be subject to the no-disruption-of classes policy stipulated in DepEd Order No. 9, s. 2005 titled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith* and the policy on off-campus activities stated in DepEd Order No. 66, s. 2017. This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as *An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities* (Ganzon Law).
