

Republic of the Philippines
Department of Education
REGION VI – WESTERN VISAYAS
SCHOOLS DIVISION OF CAPIZ

Division Advisory No. 263, s. 2022
(August 8, 2022)

In compliance with DepEd Order (DO) No. 8, s. 2013
this advisory is issued not for endorsement per DO 28, s. 2001,
but only for the information of DepEd SDO Capiz officials,
personnel/staff, as well as the concerned public.
(Visit www.depedcapiz.ph)

Attached is the letter of invitation from **Jane L. Javellana, Regional Director, DICT Region VI** for a series of activities about **Startup Mentor's Workshop on August 11 & 12, 2022 at 1:00 to 5:00 PM**. The training aims to exclusively train JHS and SHS teachers or instructors on the basic concepts and foundation of a startup. The program will be held online via Zoom. Interested participants are advised to register using the link below as meeting credentials will be given individually.

REPUBLIC OF THE PHILIPPINES
DEPARTMENT OF INFORMATION AND
COMMUNICATIONS TECHNOLOGY

July 28, 2022

DR. MIGUEL MAC D. APOSIN
Superintendent
Department of Education Capiz
Banica, Roxas City, Capiz

Dear Dr. Aposin,

Greetings from the Department of Information and Communications Technology (DICT), Regional Office VI!

We would like to thank you for your interest in our programs and for actively participating in our Digital Startup Awareness Campaign. We are grateful to have your commitment and collaboration in implementing the Digital Startup Activities in your school or university.

Pursuant to Republic Act 11337 or the Innovative Startup Act, the DICT, under its ICT Industry Development Bureau (IIDB), is implementing the **Digital Startup Development and Acceleration Program** which aims to establish a strong Philippine Startup Ecosystem by providing support that will enrich and strengthen the competitive advantage of Filipino startups.

The DICT will conduct a series of activities which aims to promote awareness and appreciation of digital startups and *technopreneurship* that would inspire teachers and students to create innovative and relevant ideas to help solve industry and social problems using ICT solutions. Please see attached list of activities for reference.

With this, we would like to extend an invitation to the previous participants from the Startup Awareness Campaign and other interested instructors to participate in the **Startup Mentor's Workshop on August 11 & 12, 2022 at 1:00 to 5:00PM**. The training aims to exclusively train teachers or instructors on the basic concepts and foundations of a startup. This will give them a firsthand knowledge about startups for them to *teach and guide* the students as we progress through the series of activities.

The program will be held online via Zoom. We would like to inform the interested participants to register using the link below as meeting credentials will be given individually.

Registration Link: <https://bit.ly/R6-MentorsWorkshop>

If there are any concerns or inquiries, kindly email **Mr. Christian Angelo Autajay** at christianangelo.autajay@dict.gov.ph or contact Mr. Autajay at 0999-466-3374.

We look forward to your cooperation and active participation in our Startup Programs.

Thank you.

Sincerely,

Digitally

STARTUP MENTORS' WORKSHOP

August 11 - 12, 2022

Rationale

The Department of Information and Communications Technology (DICT), since the enactment of the "Innovative Startup Act" or Republic Act No. 11337 has been supporting the startup industry in its efforts alongside the lead agencies spearheading the Philippine Startups Development Program (PSDP). To fully strategize initiatives and support programs for startups and startup enablers, the DICT, Department of Trade and Industry, and Department of Science and Technology, launched the **Digital Startup Development and Acceleration Program (DSDAP)**.

The Startup Mentors' Workshop is mounted to equip educators, entrepreneur- supporters and aspiring entrepreneurs with the building blocks of developing a startup from idea to minimum viable product. This is done to contribute to increasing the likelihood of success for early-stage startups to further grow and eventually scale their businesses. This also serves as a trainer's training module for educators and startup-supporters as they guide their startup teams through the startup development process. This two-part session will walk attendees through startup development fundamentals, frameworks and tips. These sessions will also serve as avenues to encourage startup teams, both students and professionals, to apply to the **Philippine Startup Challenge 7**.

Objectives

- Equip participants with better knowledge on startups and developing them
- Increase interest and application submissions to the Philippine Startup Challenge 7
- Motivate participating educators to encourage their students to apply, and their schools to support PSC and other DICT IIDB initiatives
- Increase participation in DICT's subsequent DSDAP events

Topics

- Understanding the difference between a startup and a traditional business
- Problem-solving through startup ideation
- Introduction to the design thinking steps
- Resources, Tools and ways to guide participating teams
- Lean Startup Method and its steps
- Value Proposition Canvas and its components
- Lean Startup Validation Board

Registration

Please sign up through bit.ly/R6-MentorsWorkshop
