Division Advisory No. 275 1, s. 2022
(September 8, 2022)
In compliance with DepEd Order (DO) No. 8, s. 2013
this advisory is issued not for endorsement per DO 28, s. 2001,
but only for the information of DepEd SDO Capiz officials,
personnel/staff, as well as the concerned public.
(Visit www.depedcapiz.ph)

Attached is the letter of invitation from **Jane L. Javellana, Regional Director, DICT Region VI** for a series of activities about **Startup Basics for Students on September 12 & 13, and the Startup Conference on September 22, 2022.** The target participants are the students and teachers at the Senior High School (STEM Strand) and College Levels. The program will be held online via Zoom. Interested participants are advised to register using the link below as meeting credentials will be given individually.

Greetings from the Department of Information and Communications Technology (DICT), Regional Office VI!

We would like to thank you for your support of the Startup Mentors Workshop held last August 11 and 12, 2022.

To further encourage the teachers, instructors and the students, we would like to invite your school to join the **Startup Basics** for Students on September 12 to 13, 2022, and the **Startup Conference** on September 22, 2022. Our target participants are the students and teachers at the Senior High School *(STEM Strand)* and College levels *(Engineering or Computer-related courses)*.

The program will be held online via Zoom. We would also like to inform the interested participants to register as meeting credentials will be given individually.

In line with these series of activities, we would also like to bring into attention that the **Call for Entries** for the **Philippine Startup Challenge 7 - Region 6** is now open!

Kindly see attached files for the registration links and for further details.

Thank you very much.

September 2, 2022

DR. MIGUEL MAC D. APOSIN
Superintendent
Department of Education – Capiz
Banica, Roxas City, Capiz

Dear Dr. Bermejo,

Greetings from the Department of Information and Communications Technology (DICT), Regional Office 6!

With the enactment of the Republic Act 11337 or the Innovative Startup Act, the DICT, through its ICT Industry Development Bureau (IIDB), is implementing the **Digital Startup Development and Acceleration Program** (DSDAP) that aims to establish a strong Philippine Startup Ecosystem by providing support that will enrich and strengthen the competitive advantage of Filipino startups.

The DICT will conduct programs and activities that aim to promote awareness and appreciation of digital startups and technopreneurship to inspire students as well as teachers to create innovative and relevant ideas to help solve industry and social problems using Software or the Internet of Things (IoT) solutions.

With this, we would like to extend an invitation to your school to join the **Startup Basics** on September 12 to 13, 2022, and the **Startup Conference** on September 22, 2022. The webinars will give both the teachers and the students firsthand knowledge about the importance of startups and for teachers to be well equipped to teach and guide the students during their startup journey. Our target participants are the students and teachers at the *Senior High School (STEM Strand)* and *College levels (Engineering or Computer-related courses)*.

The program will be held via the Zoom Platform. To join the webinars, the participating students and teachers should register using the links below:

Startup Basics	https://bit.ly/R6-Startup-Basics
Startup Conference	https://bit.ly/R6-Startup-Conference

The zoom meeting link will be provided only to the registrants individually.

If there are any concerns or inquiries, kindly email Ms. Fave Rounet G. Mirasol at fave.mirasol@dict.gov.ph or contact her at 0927-9971-197.

We look forward to your cooperation and active participation in DICT's Startup Programs.

Thank you very much.

Sincerely,

Digitally
