Warm Greetings from Fulbright Philippines!

The Philippine-American Educational Foundation also referred to as the Fulbright Commission in the Philippines, is a bi-national commission that administers the prestigious Fulbright program – an international and cultural exchange program that awards scholarship grants for Filipino students, young professionals, teachers, and researchers in the United States. The Fulbright program aims to increase mutual understanding and build up bilateral relations between the people of the United States and the Philippines through study, lecturing, research, and fellowship grants.

We are pleased to inform you that our team will be leading and facilitating an in-person roadshow on **SATURDAY, OCTOBER 1, 2022, 10:00 AM** at **PARK INN BY RADISSON BACOLOD**, and we would like to invite you and attend the information session to learn more about the **U.S. scholarships opportunities** that are open to all students, young professionals, teachers, and researchers in the province of Negros Occidental and neighboring provinces. **We would also like to ask for your assistance in disseminating this information to your students, staff, and colleagues as we extend our reach in promoting the Fulbright program.**
