DR. MIGUEL MAC D. APOSIN, CESO V
Schools Division Superintendent
Schools Division of Capiz
Banica Roxas City, Capiz

Dear Dr. Aposin,

Greetings of prosperity!

The last two (2) years, and counting, of the pandemic has affected a lot of our citizens, not just in Iloilo City but also in the entirety of the country. But, because of the innate resilience of the Filipino people, the Ilonggos in particular, and the proactively swift responses done by our NGOs and LGUs, here we are, thriving, surviving, and winning a percentage of our battles.

As we are an educational institution, we make it a point to find means of providing affordable and high-quality education to our students, not bound by the pandemic or any other external force, unless gravely inevitable. We also acknowledge and admire your efforts in sustaining children, bridging the gap between their dreams and its actualization. **Thank you, to you and your team, Dr. Aposin, for making lives better through education.**

Having stated the above, it is in our best interests to share in the same goal which is to promote continuity to the dreams of our youth without condition. Which is why we humbly ask for your consideration and help in endorsing our Hawak Kamay Scholarships to the distinguished Schools in Capiz that we may reach most of the students who dream of a brighter future through education.

The inclusions of the PHINMA UI Hawak Kamay Scholarship are as follows:

- Should be an SHS (Grade 12) graduate.
- Coverage of 25%, 50% or 75% in Tuition and Miscellaneous Fees, depending on screening, from enrollment to graduation. (Could be conjoined with USWAG scholarship for UI enrollees.)
- No cut-off grade upon application.
- No grade maintenance as long as subjects are passed.
- No entrance examinations after HK coverage screening.

We sincerely hope for your approval and endorsement. Thank you, for your immense help in making lives better through education.

Sincerely,

Sylvia C. Infante
Sr. Marketing Manager,
PHINMA UI
