MIGUEL MAC D. APOSIN EdD, CESO V
School Division Superintendent
Department of Education
Division of Capiz

Sir,

Greetings Peace and Good Health unto you in name of Jesus Christ our Lord and Savior!

Our youth today faces a myriad of issues that needs to be addressed at the grass root level. Poverty, lack of education, drug or substance abuse, vice, crime and unemployment are among the many problems that continue to batter them. Likewise, recent issues on the rising number of street children in urban centers, child abuse, forced-labor; teen age pregnancies and pedophilia are quite alarming, aggravating the plight of the youth.

We often ask ourselves why it is so hard to parent today. Was it always difficult? Whatever the answers may be, there is no doubt that the standards of “good parenting” have changed dramatically.

The responsibility of raising healthy, happy, well-adjusted kids can sometimes feel overwhelming for parents. They’re bombarded with expert advice and societal expectations, yet often miss out on the informal support that parents half a century ago received from neighbours and extended family.

The gaps between our Parents and our children getting wider and deeper even our academic resources could prevent not all of them to keep their moral and good values working.

Harmful ideas are all around the corner such as; influence of smart phone, showing all kind of immorality and deceitful scene. The more they got involved seeing and watching from their Smart phone follows it in some forms, kept them falling away from the care and advices of our parents. Much involved in fraternities, which all kind of harmful, violent and other unacceptable influenced are made risking future of their lives.

In this connection the **Capiz Christian Ministry-Covenant Maker, Inc., a non-government association duly registered in Security and Exchange Commission** offers voluntary partnership with you in many responsive areas that could serve as getting into the gaps involving the moral decay of our youth today and will be a help appropriately hasten the present and future life of our youth.

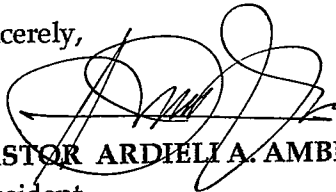

Before Covid 19 came over, our group have the opportunity to engage in Congressman Ramon Arnaldo High School, Banica, Roxas City, grade 11 and 12 in our lectures concerning Values Formation and Spiritual Transformation a program of the government under Moral Recovery Program. There were 400 students successfully completed 6 topics of the lectures and basic information about Depression. If no lock down took placed due Covid 19, we may be able to cover all National Schools in the City and in entire province of Capiz.

We earnestly seek in our prayer that our group could once again be allow as volunteers and a partner with you to conduct lecture, seminars and symposium in every National High Schools under your jurisdiction.

Attached where copies of documents for your reference and/or guidance resulting to our previous engagement in your Schools.

Thank you very much and God Bless you and your family, and God Bless Roxas City.

Sincerely,

PASTOR ARDIELI A. AMBROSIO
