Dear Ma'am:

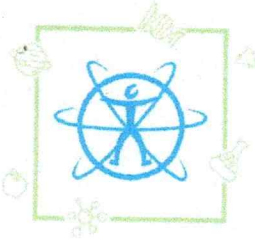

Greetings from the Philippine Society of Youth Science Clubs Regional Council VI (PSYSC-RCVI)!

We are pleased to inform you that PSYSC-RCVI, together with its Regional Council Assistance Team (RCAT), will be hosting Pagpalapnag: Regional Science Fair on **May 13, 2023** at **Philippine Science High School - Western Visayas Campus** from 8:00 A.M. to 5:00 P.M. There will also be a subevent of skywatching activity, which is limited to 100 slots only from 6:00 PM to 10:00 PM. This event aims to provide a platform for high school students to showcase their scientific knowledge and skills through presentations, booths, and workshops.

As we strive to reach out to as many students as possible, we kindly request your support in endorsing this activity to the different secondary schools under your division. With your approval and dissemination of this request, we hope to provide more students with an opportunity to learn and explore science. Each school may send up to **15 high school students** to participate in the fair, and slots will be given on a **first-come, first-served basis**.

Please note that participation in this activity is voluntary. For those who will avail the meal and snacks, there will be a preorder fee of 150 pesos to be collected from each high school student. This would include one meal (lunch) and two snacks. For confirmed participants of the skywatching activity, the fee would be 250 pesos to cover two meals (lunch and dinner) and two snacks.

We believe that youth-initiated projects like this can help produce competent, committed leaders, and nation-builders for the future. With your help, we can make this event a success and inspire more young minds to pursue science.

Thank you for your kind consideration and support. We look forward to hearing from you soon.

Sincerely,

VEAH JOY P. REPOSPOLO

PAGPALAPNAG PRIMER

Connection Across the Stars

TERMS OF REFERENCE

(May 13, 2023)

1. Name of Activity

The official name of the regional science fair is Pagpalapnag. Pagpalapnag is a Hiligaynon word that means 'to spread' to everyone.

2. Date and Venue of the Activity

The science fair will be held on May 13, 2023 from 8:00 AM to 5:00 PM at Philippine Science High School Western Visayas Campus. The skywatching activity will be held from 6:00 PM to 10:00 PM on school grounds.

3. Project Partner(s)

Iloilo National High School, University of the Philippines High School in Iloilo, and PAREF Westbridge School, Inc.

4. Event's Philosophy

Pagpalapnag will be PSYSC Regional Council VI's milestone project in its return to in-person events. The philosophy behind the event is rooted in the need to emphasize scientific principles and current events in astronomy that promotes the Public Understanding of Science, Technology, and the Environment (PUSTE) which is the thrust of PSYSC.

5. Project Objectives

Pagpalapnag has four (4) main objectives that aim to further engage, showcase, and promote the Public Understanding of Science, Technology, and the Environment (PUSTE) to high school students. The objectives are as follows:

- (i) To mobilize young participants (high school students) from different schools in Region VI;
- (ii) To invite at least two schools in every province (6 provinces) in Region VI with a maximum of 15 students per high school
- (iii) To attain at most 300 participants from the invited schools to participate in the talks, booths, workshops/exhibits, and planetarium viewing offered by the fair; and
- (iv) To gain at least 60% satisfaction rate from school and organizational partnerships to increase coverage and visibility of the endeavors of PSYSC in Region VI.

6. Presenters

For the morning session, there will be a keynote talk about modern astronomy & astrophysics. The talk will be hosted by an invited speaker with an open forum afterwards to entertain the questions that the audience might have. The student-initiated activities to be held during the afternoon session will be simultaneously presented by SiKLAB (PSHS WVC's Science Club) & PSYSC's Regional Council Assistance Team for Region VI. Students from outside PSHS-WVC will be participating in a science booth, workshop, and planetarium viewing carousel, while students from PSHS-WVC will be participating in the Physics Olympics.

PAGPALAPNAG PRIMER

Connection Across the Stars

7. Target Participants

The target participants are composed of 300 high school students. The skywatching activity will only accommodate 100 slots from those 300 students, provided that they have the means of transportation in going home, since it will not be an overnight event. Student participants are expected to be comfortable attire but with uniformity to the school's delegation. They should also wear their respective school identification cards. Participants should be from as many schools as possible throughout the province. If possible, the number of boys and girls should be balanced. Participants should all pre-register, and no walk-ins will be allowed.

8. Program Format

Pagpalapnag has three subevents which are the Papelympics, Constellation of Stars that consists of booths, workshops, and planetarium viewing, and Skywatching Activity. Participants should submit their consent forms along with the registration form.

- (a) **Papelympics** – Open only for PSHS-WVC Grade 7-10 students
- (b) **Constellation of Stars** – Open for at most 300 junior and senior high participants, with a maximum of 15 participants per school
- (c) **Skywatching Activity**
 - Open for at most 100 junior and senior high participants from those 300 participants, with a maximum of 10 participants per school
 - provided that they have the means of transportation going home, since this will **NOT** be an overnight event

9. Participation and Participation Fee

Participation in the activity is free. For those who will avail meal pre-orders, there will be a registration fee of the following:

Type of Registration	Inclusions	Price
For science fair [paid individually]	Lunch and 2 snacks	150.00 Pesos
For Fair + Skywatching Activity participants	Lunch, dinner, and 2 snacks	250.00 Pesos

14. Provisions by Philippine Science High School

- a. New auditorium for plenary sessions
 - a.1. Usage of lights & air conditioning
- b. School Grounds for workshops, booths, and planetarium viewing
 - b.1 Usage of electricity
- c. Parking area of vehicles
- d. Additional staff for security and emergency response

15. Responsibilities of PSYSC and SiKLAB

- a. prepare the venue prior to the event
- b. comply with pre-event requirements

PAGPALAPNAG PRIMER

Connection Across the Stars

- c. uphold the PSHS Code of Conduct at all times
- d. bring personal medicines and first aid kit
- e. take note of personal safety
- f. hydrate one's self at all times
- g. report any suspected persons who might jeopardize the conduct of the event
- h. bring water receptacles for either hot and cold water

16. Other Matters

- a. On Health and Wellness
 - a.1 Certified first aiders will be provided to assist those who are in need.
 - a.2 A dedicated lobby area is provided for those who need to rest for a while.
- b. Safety Measures
 - b.1 Participants will be ushered.
 - b.2 Display of evacuation route in case of emergency will be provided.
 - b.3 Two security guards will provide additional security.

17. Supervisors and/or Teacher Chaperones

- a. PSYSC Regional Council VI Adviser - Dr. Angel Olvido;
- b. Physics Faculty of PSHSWVC

18. Expectations from Participants (to be communicated)

- a. Arrive on-time at the school's pre-registered schedule.
- b. Bring water tumblers and snacks.
- c. Be in comfortable clothes but uniform with the school or district's delegation.
- d. Must pre-register. Attendance sheet must be filled out and signed before entering the venue.
- e. Wear school identification card while inside the campus
