**Bayani Challenge 2023:
BARANGAY WALANG IWANAN**

Dear **Mr. Aposin,**

Greetings from Gawad Kalinga!

With the myriad of challenges, the country has recently faced - both natural and manmade, there is a need to strengthen our cause. Through *Bayanihan*, we believe there is hope and courage to overcome these challenges. Truly, when we come together and build solidarity, nothing is impossible.

This year, we are bringing you to your most memorable *bayanihan* destination. Come with us for five days of summer! This is an opportunity to gain a life-changing experience worth sharing. Get your courageous hearts ready because together, we will rise as island heroes. Help us paint the islands with the brightest colors of HOPE

Mobilize your team, sign up and be transformed, the Bayani Challenge Way!

Attached herewith is our Bayani Challenge tentative activities for the Province of Capiz.

If we are able to bring out the hero in everyone and transform lives one barangay at a time, then we can create a long-lasting social impact for the development of our country. Our choice to leave no one behind today designs a future full of hope for the next generation.

In line with this, we would also like to knock at your generous hearts and invite you to share your resources and be one of our event partners!
