Promotion of the Local Government Executives and Managers Class (LGEMC) 2023

NEDA Regional Office VI - Regional Development Council <nro6.rdc@neda.gov.ph>

Dear RDC VI Members:

We are forwarding the email message from DAP re Local Government Executives and Managers Class (LGEMC) 2023:

Greetings from the Development Academy of the Philippines (DAP)!

We are pleased to inform you that the DAP, through its Public Management Development Program (PMDP), is set to open three (3) new batches of the Local Government Executives and Managers Class (LGEMC) this year.

The PMDP-LGEMC is a comprehensive training program that aims to strengthen the capabilities of local government functionaries so that they may excel in their roles and performance of mandated functions, be more adaptive and agile in a changing and disruptive environment, and promote good practices and innovations for sustained and more effective delivery of public services at the local government level.

Each class will run for about three and a half months and will cover various topics on development and governance; strategic public management; and personal efficacy and leadership, with an Innovation Project Concept as its final requirement. Our esteemed faculty with various fields of expertise will handle the classes through a flexible and blended learning mode.

Target participants are Department Heads in the local government, holding permanent positions for at least two (2) years, no more than fifty (50) years of age, and in good health condition.

Successful applicants will be entitled to a government scholarship, subject to the program's conditions and requirements, including the need to excuse them from their official duties so they can attend their synchronous sessions.

We are also sending the link to the [Public Management Development Program \(PMDP\)](#) for interested applicants from National Government Agencies.

Thank you very much.
