SPECIAL SCIENCE AND COMPUTER EDUCATIONAL DEVELOPMENT PROGRAM

THRU: **ACCESS Computer Tutorial Learning System**

Offices Address: Bacolod City, Victorino Salcedo Campus, Sara Iloilo

SCHOOLS DIVISION SUPERINTENDENT

Sir / Madame:

In the desire to help the students, particularly those who nurture special interest in the field of Science and Technology, the **ACCESS** Computer Tutorial Learning Program has embarked on a kind of development project designed to provide broadened perspective between the students as their parents on matters regarding Science and Technology. The program called the Access Computer Tutorial Project, aims to link the home and the school together to enable them to appropriately respond to the special needs of parents and understanding the learning process of their children.

To promote and develop Science and Computer consciousness in the youth, the program offers to help them secure Science and technology reference guide and advance computer training study. This will enhance in each students the advance know in science and the degree of computer literacy relevant to globalization. While the program aims to help every students attain proficiency in their academic pursuit, it may also reduce the financial burdens of parents who have to cope up with cost of education particularly on price of books and tuition fees.

Under this scheme, quizzes shall be administered to all secondary students in both private and public schools within the division. Those who will hurdle the test will be given a special privilege to avail of the advance trouble shooting training guide. Here, the participation of the parents is only the miscellaneous expenses for electric, instructor to teach the said training.

Likewise, the students will be given a **PURELY HANDS-ON Advance Trouble shooting and Graphics Design Training at CAPIZ STATE UNIVERSITY (CAPSU)** being the propose venue of the said training.

The program is very essential but voluntary and it is **NOT COMPULSORY** on the part of the parent's concern.

The universal fact stands that the more we learn the greater is our chances for success. Please allow us to thank you in anticipation to your favorable consideration hereon.

Very respectfully yours,

MR. RHANDY P. TANDOY JR.
