June 9, 2023

**The Office of the Schools Division Superintendent**  
Department of Education

Dear Sir/ Madam,

Since 1994, the Center for Human Research and Development Foundation Inc. as a non-stock and non-profit organization collaborated to various academic institutions and government agencies to provide high quality and relevant learning and development programs for school stakeholders.

Our organization designed **Continuing Professional Development (CPD) Programs for Licensed Professional Teachers** to help many teaching personnel to gain advance knowledge and skills to address the challenges in basic education. As Republic Act 10912 mandates and institute measures to strengthen the continuing professional development program for all regulated professions including licensed professional teachers. In addition, Article IV section 3 of the Code of Ethics for Professional Teachers states that every teacher shall participate in the Continuing Professional Education (CPE) program of the PRC. Thus, these programs will also help teaching and non-teaching (with PRC LPT license) personnel to earn the required CPD credit units for the license renewal. We also hope that this professional development engagement can positively contribute to the Philippine Development Plan 2028 specifically under Improved Education and Lifelong Learning.

The following program is aligned to National Competency-Based Teacher Standards and Philippine Professional Standards for Teachers responsive to the varied training needs of professional teachers. More importantly, this is one of the many ways on how we exert our best effort to manifest our support to attain the Basic Education Development Plan 2030 and to Vice President and DepEd Secretary Sara Z. Duterte's MATATAG agenda.

Date and Venue	CPD Program
July 14-16, 2023 (In-Person) Ateneo de Manila Campus Quezon City	International Seminar Workshop on using Action Research to Improve Teaching & Learning

### **About Center for Human Research & Development Foundation Inc.**

The Center for Human Research and Development Foundation, Inc. (CHRDF) started as a training center commissioned by the Technical Education and Skills Development Authority (TESDA) in cooperation with the Philippine Association of Private Technical Institute (PAPTI) and the Don Bosco Center for Research and Training in 1994 to undertake short-term training programs for the enhancement of vocational, industrial, and technical skills of workers in government as well as private institutions all over the country.

In 1995, CHRDF ventured into the training of technical school administrators in the area of financial management in the Visayas and Mindanao. In 1997, CHRDF expanded its audience to include teachers and college instructors teaching Filipino when it conducted a seminar-workshop on "Pagtuturo ng Filipino sa Bagong Kalakaran" in cooperation with U.P. College (Baguio City) and in cooperation with RELC-DECS Region XI (Davao City). In 1998, CHRDF again expanded its audience to include teachers and college instructors teaching English when it conducted a seminar-workshop on ESP as an Alternative Approach to English Language Teaching for Globalization in cooperation with: Cebu Institute of Technology in Cebu City; the Association of Booksellers for the Academe and the Professions (ABAP) and with Davao Librarians Association (Davao City). Also in 1998, it conducted seminar-workshops for textbook and journal article writers working in the academe, corporate and industrial firms (Davao City).

Today, CHRDF is deeply committed to provide up-to-date qualified Continuing Professional Development (CPD) conferences and training programs compliant with the ASEAN Mutual Recognition Arrangement and Philippine Quality Framework (PQF) standards. We are one with the Philippine Government in accelerating human capital through bridging the gap with the challenges of ASEAN integration and Global citizenship. With our professional partners in various disciplines, we are broadening our horizons by reaching out every Filipino educator in all levels both in public and private schools, school administrators, deans, librarians, as well as the non-educators in general.

### **Vision**

To be a training institution that is committed to imparting high-level knowledge to promote the professional and self-development of our participants for the benefit of themselves, their institution and the nation.

### **Mission**

As an active part of nation building, the Center for Human Research and Development Foundation Inc. (CHRDF) exists to uplift the technical skills, intellectual capacity, moral and economic well-being particularly of the working class of the Philippine society.

As a non-stock, non-profit corporation, CHRDF is committed to upgrading the quality of job performance of teachers, instructors, professionals and para-professionals, vocational and technical instructors in public and private educational and business institutions by offering a full-range of affordable and high-quality training programs backed by research, publications and information.

### **Core Values**

Professional Excellence, Resilience, Lifelong Learning and Positive Transforming leadership.
