Special-Insurance-Coverage.pdf;

Greetings from the Philippine Public School Teachers' Association!

Election is the bedrock of our democratic system and hence, vested with much public interest. In spite of the automation of our election process however, a large bulk of the responsibility still remains with the Board of Election Inspectors (BEIs) which is primarily composed of public school

teachers and of course, the DepEd Supervising Officials. Unfortunately, such responsibility is coupled with perils in their lives.

With this in mind, we are pleased to inform you that PPSTA will grant a P 25,000.00 special life insurance coverage to all PPSTA members who will serve in the October 30, 2023 Elections. As protectors and defenders of our democracy, they are indeed worthy of acclamation but it is our hope that this special token of ours can uplift their spirits as they take on their noble jobs during the election.

Hereunder are the criteria for this special coverage:

1. **PPSTA Membership:** To be eligible, individuals must be active members of the Philippine Public School Teachers Association (PPSTA). *Your PPSTA membership gives you access to this exclusive benefit.*
2. **Service During 2023 Elections:** This coverage is specifically designed for those who selflessly serve during the 2023 Election Period. *We salute your dedication and recognize the importance of your role in this democratic process.*
3. **Election-Related Cases Only:** The insurance coverage will apply exclusively to election-related cases. *We aim to ensure your safety and protection in situations directly linked to your duties during the election period.*
4. **Incidents During the Election Period:** This coverage will be effective only for incidents that occur during the Election period. *Your safety and well-being during this crucial time are our top priorities.*

Together, let's ensure the safety and security of those who are instrumental in making our local elections a success. We salute your dedication and look forward to a prosperous future in our educational and democratic endeavors.
