December 11, 2023

MIGUEL MAC D. APOSIN, EdD, CESO V

Schools Division Superintendent

Division of Capiz

Dear Dr. Aposin:

Greetings!

Every year since 2018, Grade 11 Students of Philippine Science High School - Western Visayas Campus (PSHS-WVC), in collaboration with SiKLAB, the school's premiere science club, have organized an annual science competition as an opportunity for elementary school students to explore their skills in science, math and technology.

The primary objective of this event is to foster a spirit of curiosity and exploration among the Filipino youth, encouraging them to take an active interest in the fascinating world of science. We firmly believe that nurturing their scientific inquisitiveness from a young age will not only benefit the students individually but also contribute to the overall progress of our society. With the theme **Deep Dive: Navigating Ocean Sustainability and a Blue Economy**, we aim to also raise awareness about the importance of preserving marine life and ecosystems, aligned with Sustainable Development Goal 14: Life Under Water.

In the past years, the face-to-face implementation of the competition has been limited to participants from Iloilo Province, but now, we are ready and eager to discover the potential of students from other provinces in Western Visayas. The science competition is to be held in Philippine Science High School - Western Visayas Campus on February 3, 2024. **REGISTRATION IS ON A FIRST COME, FIRST SERVE BASIS. ONLY THE FIRST 30 REGISTERED SCHOOLS WILL BE ACCOMODATED.**

We would like to seek assistance from your office for endorsement to humbly expedite the dissemination of our event to all public and private elementary schools in the region. A similar letter but a more generic one was given to **DR. RAMIR B. UYTICO, CESO IV, the RD of DepEd Region 6**, last December 7.

The details of the Pasiklaban 2024 are as follows:

Pasiklaban 2024

3 February 2024 (Saturday)	
7:30 am - 8:20 am	Registration <ul style="list-style-type: none">- Distribution of food stubs- Attendance checking for participating schools
