COLEGIO DE LA PURISIMA CONCEPCION
The School of the Archdiocese of Capiz
Roxas City

January 23, 2024

MR. MIGUEL MAC D. APOSIN, Ph.D.
Schools Division Superintendent
Division of Capiz

Greetings!

Colegio de la Purisima Concepcion, the school of the Archdiocese of Capiz, is a Catholic educational institution that caters to the holistic development of our young people. We provide an array of opportunities that nurture not only the academic abilities of the students but their personal, social, and career competencies as well. Our ultimate goal is to equip them with the knowledge, skills, and disposition necessary for building a godly and responsible society. We offer programs that are accredited and certified by different reputable agencies. Our people are cohesively committed to serving God and the country, with the Blessed Mother as our model. This is what CPC is all about.

In view of the said goals, the school administration considers it important to offer programs that will help increase livelihood and professional opportunities for young citizens all over Capiz. Moreover, the administration acknowledges the need to impart to students all over the province more information regarding the programs in order to encourage them to pursue their education.

Hence, we would like to ask permission from your good office to allow us to conduct an information drive for Academic Year 2024-2025 in order to promote our Grade School, Junior High School Department and the different tracks in Senior High School, as well as the courses offered for College at every secondary institution in the province. This is aimed at providing students with better career choices for a better chance at attaining a bright future for them and their families.

We look forward to your response regarding this matter and would greatly appreciate your approval of our humble request.

Thank you very much in advance and May God bless you always.

Very truly yours,

REV. FR. RAUL N. TICAR, JR. MAEd
Director, Student Affairs and Services
