RE CHIEF GIRL SCOUT MEDAL SCHEME REGIONAL EVALUATION, AY 2024-2025

DATE MAY 14, 2025

The Chief Girl Scout Medal Scheme highlights the Girl Scout's role in nation building as exemplified by the Chief Girl Scout and her distinguished leadership and vital contribution to nation building. The Scheme is built on the concept of the total development of the girl: Spiritual, Mental, Physical, Social, and Emotional. It is a continuing incentive that Senior and Cadet Girl Scouts can aspire for, as they become actively involved in community and nation building. The main emphasis is on the girl's leadership, perseverance, and her sense of responsibility toward herself and her community. She is judged according to her individual ability and leadership capabilities.

In this connection, we would like to inform the Chief Girl Scout Medal Aspirants, their Troop Leaders, Secondary School Coordinators, Secondary School Principals, and Workgroup including their fellow Girl Scouts for the Regional and Final Evaluation of the Chief Girl Scout Medal Scheme Projects in their chosen communities on **May 18 – 20, 2025**. Attached is the List of Chief Girl Scout Medal Aspirants for your reference.

We look forward to your favorable action to our request.

Thank you for your continuing support to the Scouting Movement.
