"Always First, Always Ready, Always There"

July 9, 2025

MR. ROEL F. BERMEJO, EdD, CESO V

Schools Division Superintendent

Capiz Division Roxas City, Capiz

Dear Sir Bermejo,

Humanitarian Greetings!

Cardiovascular disease is the leading cause of death in the country, and its unpredictability is a major concern. It can strike without warning, leaving victims' relatives with a tremendous psychological and emotional burden. The passage of Republic Act No. 10871 was a direct response to this event. This law aims to protect and promote the public's right to health and instill health consciousness. It ensures citizens are equipped with the necessary knowledge and basic skills to respond to health emergencies like cardiac arrest. The celebration of National CPR Day, which began on July 16, 2018 and officially declared last March 27, 2024 through Proclamation No. 511, supports the implementation of RA No. 10871.

Philippine Red Cross- Capiz Chapter joins the celebration with the theme *"SHAPING CULTURE: Towards CPR-ready Philippines"* and will conduct **CPR Caravan** from July 17, 2025 until October 16, 2025.

In line with this, we would like to seek approval from your good office to conduct the Lecture Demonstration on the available date and time of the schools in Capiz Division.

Your positive response in this matter will be highly appreciated and well help us deliver humanitarian services to communities. Should you have any concern, you may contact **KENNY BAJANDE, RN, EMT**, Chapter Service Representative for Disaster Management Services at 09276816493 or email us at capiz@redcross.org.ph. Thank you very much!

Respectfully yours,

RAYMUNDO R. MARTINEZ, RMT

Chapter Administrator
