PHINMA EDUCATION  
MAKING LIVES BETTER THROUGH EDUCATION

July 31, 2025

**DR. ROEL F. BERMEJO, CESO V**

Schools Division Superintendent  
Office of the Schools Division Superintendent  
Province of Capiz

Dear Sir,

Warm greetings from PHINMA University of Iloilo!

PHINMA UI is part of PHINMA Education, a growing network of schools committed to making quality private education accessible to underserved youth. Since 2004, PHINMAEd has helped over 160,000 students across the Philippines and in Indonesia overcome barriers to college completion through affordable education, strong academic systems, and a culture of care.

We respectfully request your approval and endorsement to conduct the PHINMAEd EduProfile Index in selected public high schools under your division.

The PHINMAEd EduProfile Index is a free, onsite assessment that helps us understand the academic, financial, and personal challenges your students face as they prepare for college. Participating schools will receive a diagnostic report with data-driven insights that support teachers and school leadership in guiding students more effectively. The report includes:

- Academic Preparedness
- Socioeconomic and Financial Background
- Student Employment and Its Academic Impact
- Career and Course Preferences
- Demographic and Academic Burdens

In response to these insights, PHINMA UI offers:

- HK Scholarships covering tuition, with no entrance exam and no maintaining grade
- Personalized student coaching through our Kasama Support Hub
- Trainings and workshops to build student purpose, confidence, and resilience

Students may access these programs and services that are beneficial not only to them but also to their educators and communities.

To coordinate the schedule, please contact **Mr. Raymart Escopel** at **0977-833-0057** or **reescopel.ui@phinmaed.com**.

Thank you very much for your continued partnership in improving access to higher education.

Sincerely,

  
**AJ BOY F. GUTIERREZ**
