2. International Coastal Clean-up & School Do Day aims to engage people around the world to remove trash and debris from beaches, waterways, and other water bodies, to identify the sources of the litter, to change behaviours that cause pollution, and raise awareness on the extent of the marine debris problem.
3. Taking into consideration the Environment, Educational and Sustainability program of the Boy Scouts of the Philippines, all Scouts and Scout Leaders are encouraged to initiate the conduct of a clean-up drive activity, cleaning and collecting the trash that pollutes our waterways at homes and within school areas.
