Division Advisory No. 042, s. 2026
19 August 2026

In compliance with DepEd Order (DO) No. 8, s. 2013
This advisory is issued not for endorsement per DO 28, s. 2001, but only for the information of DepEd Capiz officials, personnel/staff, as well as the concerned public.
(Visit www.deped.gov.ph)

Attached is the letter from the **Capiz Provincial Health Office** dated August 12, 2026, regarding the conduct of the **Measles-Rubella (MR) Supplemental Immunization Activity (SIA) and Vitamin A Administration** from August 10-28, 2026, for children aged 6-59 months.

All school heads are requested to disseminate the attached letter to parents and guardians, particularly those with Nursery and Kindergarten 1 (K1) learners below five (5) years old and encourage eligible children to avail of the services at their respective health centers or designated vaccination sites. The details and overview of this activity are attached for reference.

In support of this initiative, we wish to reiterate that its implementation shall be in accordance with DepEd Order No. 009, s. 2026 (School Calendar and Activities for School Year 2026–2027), which emphasizes the protection of instructional time under the Three-Term School Calendar.

DR. ROEL F. BERMEJO, CESO V
Schools Division Superintendent
Capiz Division

Dear Dr. Bermejo,

Greetings of good health!

The Capiz Provincial Health Office is currently conducting the Measles-Rubella (MR) Supplemental Immunization Activity (SIA) and Vitamin A Administration from August 10 to 28, 2026, for children aged 6 to 59 months.

In this regard, we kindly ask for your help in disseminating the attached announcement to all schools under your supervision, especially those with Nursery and Kindergarten 1 (K1) learners below five (5) years old.

We hope you can share this information with parents and guardians and encourage eligible children to avail of the MR vaccination and Vitamin A supplementation at their local health centers or designated vaccination sites.

Your support and encouragement will greatly help us reach parents and guardians and ensure that more children receive these essential health services.

Thank you very much.

Respectfully yours,

RAMON ALEX T. NOLASCO, MD, MPA
Provincial Health Officer II
