SM SUPERMALLS

September 28, 2026

MR. ROEL F. BERMEJO, Phd, CESO V.
Schools Division Superintendent Dept. Of Education
Capiz Division

Dear Mr. Bermejo,

Greetings from SM Supermalls!

The **SM Super Spelling Bee** is back for its 3rd year, and we're ready to put the country's brightest young spellers to the test! We are delighted to invite the schools from **Department of Education - Capiz Division** to take on the challenge and be part of this exciting nationwide competition.

In partnership with National University, National Book Store, Power Mac Center, and Knowledge Channel, the SM Super Spelling Bee 2026 brings together some of the country's brightest young spellers for an exciting battle of words, wit, and confidence, with **over P5 million worth of prizes** to look forward to. And the **winning schools** have something to celebrate, too! The schools of the grand winner, first runner-up, and second runner-up will also receive special prizes at the Grand Finals!

More than a competition, the SM Super Spelling Bee gives young learners the opportunity to put their spelling skills to the test, expand their vocabulary, and build confidence. This year, the competition is open to students ages **9 to 11 years old** who are currently **enrolled for Academic Year 2026–2027**.

The competition will begin with Elimination rounds which will take place on **October 3, 2026, 2PM** at **SM City Roxas**, and the winners will be sent to Regional Semi Finals in **SM Seaside City Cebu** on **October 24, 2026**, culminating in the **Grand Finals** on **November 14** at the **SM Mall of Asia Music Hall**.

Registration is quick and easy. Students may register through the SM Malls Online app, or submit their application form, together with the original and photocopy of a valid school ID or Certificate of Enrollment, to the Mall Administration Office of SM City Roxas.

We look forward to seeing your school and their young spellers shine on the SM Super Spelling Bee 2026 stage, and show us what they can do!

Sincerely,

Decima Cacdac
