DR. ROEL F. BERMEJO
School Division Superintendent
Schools Division of Capiz, Department of Education (DepEd)
Banica, Roxas City

Dear Dr. Bermejo:

Environmental Greetings!

The Capiz Provincial Government, through the Capiz Provincial Environment and Natural Resources Office (CaPENRO), promotes environmental awareness and active participation in protecting and conserving the province's environment. Pursuant to **Provincial Ordinance No. 001, Series of 2019 (2019–2022)**, November is observed as Provincial Environment Consciousness Month. As part of this celebration, CaPENRO is implementing **"Dungog Lunhaw: Search for Ten (10) Outstanding Environmental Initiatives,"** a recognition program that highlights innovative, sustainable, impactful, and replicable environmental initiatives that contribute to a cleaner, greener, and more sustainable Capiz.

In this regard, **we respectfully request your assistance in disseminating information about the program to the schools under your supervision and encourage them to submit their outstanding environmental programs, projects, or initiatives for consideration.** Your support will help recognize and inspire schools and other stakeholders to strengthen their commitment to environmental protection and sustainability.

Attached to this letter are the Event Briefer and Nomination Forms for your reference. These documents may also be accessed through the link: https://tinyurl.com/DungogLunhaw2026. Please be advised that the submission deadline has been **extended to October 30, 2026.**

We believe that schools play an important role in fostering environmental responsibility among learners and communities. We sincerely appreciate your continued support and cooperation in promoting environmental education and stewardship in the Province of Capiz.

For additional information, please contact **Mr. Wilmon C. Alinsangan, DMO II**, at **(036) 520-1004** or **0995-422-9747**.

We look forward to your support and collaboration toward the successful implementation of Dungog Lunhaw 2026.

Sincerely yours,

RONALD ALLAN F. CULLO, EnP.

RATIONALE

The Capiz Provincial Environment and Natural Resources Office (CaPENRO) was created to develop and manage environmental plans and programs for a sustainable and resilient Capiz. This includes formulating and implementing activities that strengthen the environmental awareness of Capisnon.

On July 30, 2019, Ordinance No. 001, Series of 2019 (2019-2022) entitled, "Declaring the Month of November as the "Provincial Environment Consciousness Month", Institutionalizing its Yearly Celebration and For Other Purposes", was passed by the Sangguniang Panlalawigan.

According to EMB-DENR Region VI, Capiz is the very first Province in Western Visayas to have an institutionalized celebration of the Provincial Environment Consciousness Month (PECM) every November dedicated to raise consciousness on environmental protection, conservation and restoration through a collaborative interagency and multi-sectoral effort with CaPENRO as the implementing arm of the Capiz Provincial Governemnt.

For many years, different individuals, various sectors and institutions have implemented initiatives to contribute to the restoration, protection, and preservation of the environment. With solid intrinsic motivation, dedicated service, and strong will, Capisnons responded to the call of the time and took their advocacies seriously. These initiatives, dedication, and hard work must be recognized and should be set as an example.

This 2026, CaPENRO will once again launch the Dungog Lunhaw: Search for Outstanding Environmental Initiatives. It is an annual recognition program that celebrates Capisnon's excellent and outstanding leadership in initiating and implementing programs for the conservation, protection, and restoration of Capiz's environment and ecology, enforcing national laws to combat transboundary environmental issues and creating solutions to complex environmental challenges through sustainable practices and education. This year, the search is rebranded as **Dungog Lunhaw 10: Search for Outstanding Environmental Initiatives.**

OBJECTIVES

1. To spread environmental awareness and consciousness through active engagement in the restoration, protection, and preservation of the environment;
2. To provide a platform for Capisnons who have significantly contributed to creating an ecologically sustainable and resilient Capiz to be recognized for their efforts and dedication; and
3. To encourage Capisnons to participate in environmental awareness initiatives.

AWARDS

This year, the Province of Capiz will select and award ten (10) Outstanding Environmental Initiatives (5 organization initiatives and 5 individual initiatives) this 2026.

INDIVIDUAL CATEGORY (5 WINNERS)

This award is given to a Capisnon whose initiatives, involvement and dedication significantly contributed to the environmental protection and conservation, ecological sustainability, disaster resiliency, pollution control, and culture-sensitive management of the natural environment of the Province of Capiz.

ORGANIZATION CATEGORY (5 WINNERS)

This category is open to organizations, academic institutions, businesses, and local government units (LGUs) that have demonstrated outstanding environmental initiatives and efforts contributing to the ecological sustainability, disaster resilience, pollution control, and culture-sensitive management of the natural environment of the Province of Capiz.

A total of five (5) winners shall be recognized under this category:

- Three (3) winners from organizations, academic institutions, and businesses; and
- Two (2) winners from Local Government Units (LGUs). One (1) winner from City/Municipal and one (1) from Barangay.

Winners shall receive Php 20,000.00 each and trophy of recognition.

SCOPE OF INITIATIVES

Environmental initiatives shall focus on, but not be limited, to the following:

1. **FOREST-BASED INITIATIVE.** Focuses on sustainable forest management, responsible stewardship, community development, the wise use of forest resources, the protection of forests and their ecosystems, forest rehabilitation, and the promotion of public awareness and environmental education.

2. **COASTAL MANAGEMENT INITIATIVE.** Involves promotion and action towards sustainable use, development, protection, conservation, and rehabilitation of seaside terrestrial and coastal marine areas and their resources through the development of innovative approaches, techniques, and programs, community development, public awareness, and education.

3. **POLLUTION CONTROL AND SOLID WASTE MANAGEMENT INITIATIVE.** Focuses on the reduction, elimination, or minimization of solid waste and/or air, water, and land pollution by promoting green or environmentally preferred practices and the application of sustainable design principles.

4. **CLIMATE CHANGE MITIGATION AND ADAPTATION INITIATIVE.** Focuses on the conservation, protection, and restoration of Capiz's environment and ecology through relentless efforts to reduce greenhouse gas emissions and strengthen resilience and adaptive capacity to climate-induced impacts, including climate-related hazards; integrating climate change measures, strategies, and planning; and improving education, awareness-raising and human and institutional capacity concerning climate change mitigation, adaptation, impact reduction, and early warning.

5. **OTHER INITIATIVES THAT PROMOTE ENVIRONMENTAL CONSERVATION, PROTECTION, AND RESTORATION**

CRITERIA

Criteria	Weight	Description
Environmental Impact	**35%**	Measures the project's significant and measurable contribution to environmental protection, conservation, restoration, and the improvement of ecosystems and communities.
Innovation	**25%**	Assesses the creativity, originality, and effectiveness of the approaches, methods, technologies, or solutions used to address environmental challenges.

Sustainability and Transferability	**20%**	Evaluates the project's potential for long-term implementation and continuity, including resource efficiency and lasting environmental and community benefits, as well as its capacity to be replicated, adapted, or implemented by other communities, organizations, or institutions addressing similar environmental concerns.
Linkages and Partnerships	**10%**	Assesses the effectiveness of collaboration and partnerships with communities, government agencies, organizations, private groups, and other stakeholders in achieving project objectives.
Public Awareness and Education	**10%**	Evaluates the project's effectiveness in promoting environmental awareness, knowledge, responsible practices, and meaningful participation among the public, particularly target communities.
TOTAL	**100%**	

ELIGIBILITY CRITERIA

For an initiative to be considered for the Dungog Lunhaw 2026, it must meet the following minimum requirements:

- The initiative must be implemented in the Province of Capiz by a Capisnon, or by an organization composed of Capisnons or whose majority of members are Capisnons based in the Province of Capiz. In cases where the initiative is implemented by, through, or in partnership with an organization, the individual who initiated, developed, or led the initiative shall be identified as the proponent and appropriately credited for their contribution.
- The initiative may be implemented in partnership with people's organizations, civil society organizations, community-based organizations, local government units

(LGUs), national government agencies (NGAs), or other organizations. However, the initiative must have been initiated and principally developed by the nominee, who must serve as its principal proponent and lead implementor;

- Must have been in operation for at least six (6) months as of the submission deadline of October 23, 2026, meaning the initiative must have commenced operations on or before April 23, 2026.
- Must demonstrate verifiable and significant results, supported by appropriate documentation or evidence;
- Initiatives that have previously won under the Dungog Lunhaw Awards are not eligible to participate in the same category and must wait two (2) years before reapplying;
- Submission of more than one entry is allowed, provided that the entries are distinct and not interrelated;
- Initiatives nominated under the Individual Category may not be simultaneously nominated under the Organization Category; and
- Participants are encouraged to consolidate directly connected programs or initiatives and submit them as one comprehensive entry.

GENERAL GUIDELINES

- Highlight what makes the program different or better.
- Provide all the required information and ensure that no item is left blank.
- Responses may be in English, Filipino, or Hiligaynon.
- For items that require narratives, please be concise and straightforward in your answers. Encode your application form in letter size (8.5 x 11 inches), with margins at 1 inch for all sides (top, bottom, left, and right). Kindly use Arial as the font and font size at 11 points.

SELECTION PROCESS

The selection process for Dungog Lunhaw 2026 follows a systematic and thorough evaluation of initiatives based on the eligibility criteria to ensure that each entry represents the best environmental efforts in the Province of Capiz. Below is a detailed overview of the process:

1. Acceptance of Nomination

All submitted applications are reviewed to ensure they meet the minimum eligibility requirements. Only those that adhere to the guidelines and are complete in documentation will proceed to the next step.

2. Notification of Application

Once the nominations are accepted, applicants will be notified of their eligibility to participate in the selection process. Any clarifications or additional documentation required will be communicated during this phase.

3. On-Site Validation

Qualified initiatives undergo on-site validation by the selection team. This step ensures that all claimed results and impact are verifiable. The validation team will visit the actual site of implementation, interact with stakeholders, and document the outcomes.

4. Presentation of Initiatives to the Screening Committee

Applicants will present their initiatives to the Screening Committee in a concise 2–3-minute presentation, followed by a Q & A session. This step allows the committee to assess how well the initiative addresses environmental challenges, its innovative approaches, and its potential for replication.

5. Final Deliberation

After all presentations, the Screening Committee will deliberate on the shortlisted initiatives based on the verification data, presentation, and answers during the Q & A. They will assess the initiatives' long-term sustainability, innovation, and impact.

6. Announcement of Winners

The winners of Dungog Lunhaw 2026 will be announced during the Awarding Ceremony on November 27, 2026.

ESSAY

Sagutin ang bawat tanong sa sanaysay nang hindi hihigit sa 500 salita. Maaari kang magdagdag ng karagdagang papel kung kinakailangan.

Epekto sa Kapaligiran

1. Anong mga hamong pangkapaligiran ang natugunan ng iyong mga inisyatibo?

(Anong mga partikular na problema o kondisyon sa kapaligiran ang tinugunan ng inisyatibo, sino o ano ang naapektuhan, at anong mga masusukat o napapansing pagpapabuti sa kapaligiran ang resulta ng iyong mga pagsisikap?)

Inobasyon

2. Anong mga makabago o natatanging ideya, pamamaraan, teknolohiya, o pamamaraan ang ginamit mo sa iyong mga inisyatibo?

(Ano ang nagpapaiba o nagpapabago sa iyong pamamaraan kumpara sa mga karaniwang kasanayan, at paano pinahusay ng inobasyong ito

ang bisa, kahusayan, pakikilahok, o mga resulta sa kapaligiran ng iyong inisyatibo?)

Pagpapanatili at Paglilipat

3. Anong mga mekanismo, estratehiya, at mapagkukunan ang itinatag upang mapanatili ang inisyatibo, kabilang ang pagpapatuloy ng mga aktibidad, pakikipagsosyo, at pagpopondo nito? Paano maaaring kopyahin, iakma, o ilipat ng ibang mga komunidad, organisasyon, o institusyon ang mga pamamaraan, karanasan, at aral na natutunan ng inisyatibo na tumutugon sa mga katulad na isyu sa kapaligiran?
(Ano ang mga naipatupad upang matiyak na ang inisyatibo ay maaaring magpatuloy lampas sa unang implementasyon, at anong mga aral, kagamitan, kasanayan, o modelo ang maaaring gamitin o iakma ng ibang mga komunidad o organisasyon?)

Mga Ugnayan at Pakikipagsosyo

4. Anong mga mekanismo ang ginamit upang maisangkot ang malawak na hanay ng mga stakeholder?

(Sino ang mga pangunahing stakeholder na kasangkot, anong mga papel ang kanilang ginampanan, at paano nakatulong ang kanilang pakikilahok sa implementasyon, tagumpay, at pagpapanatili ng inisyatibo?)

Kamalayan sa Publiko at Edukasyon

5. Anong mga estratehiya, pamamaraan, at pamamaraan ang iyong ginagamit na nagbibigay-diin sa impormasyon at edukasyon upang maimpluwensyahan ang pag-uugali na nagbibigay-daan sa mga indibidwal, pamilya, grupo, organisasyon, at komunidad na gampanan ang mga aktibong papel?

(Paano naimpluwensyahan ng iyong mga aktibidad sa impormasyon, edukasyon, at komunikasyon ang kaalaman, saloobin, kasanayan, o pag-uugali, at anong ebidensya ang nagpapakita ng pagtaas ng pakikilahok ng publiko o aksyon sa kapaligiran?)
