DIVISION MEMORANDUM

No. **226** s. 2021

CALL FOR THE CONDUCT OF ACTION RESEARCH AS MANDATE TO MASTER TEACHERS

To: Assistant Schools Division Superintendent
Chief Education Supervisor – CID
Chief Education Supervisor - SGOD
Public Schools District Supervisors
Public Elementary, Secondary and Integrated School Heads
All Others Concerned

1. The Department of Education is mandated to undertake national educational research and studies as basis for necessary reforms and policy inputs. The department also recognizes the need for evidence-based policy development by instituting reforms to strengthen the culture of research.
2. Thus, it follows RA 9155 which mandates DEpEd to require all schools divisions to engage in research activities which means that all teaching and non-teaching personnel are enjoined to fully implement research in terms of doing priority improvement projects for future referrals and modifications.
3. As stipulated in Domain 7 of the Philippine Professional Standards for Teachers (PPST), doing action research helps teachers grow professionally, to show how they are extending their own professional knowledge. Action research and professional development helps to create better classrooms and teachers which should be of great importance to learners.
4. Moreover, in the first Key Result Area (KRA) for Master teachers which is the Instructional Competence, the third objective states that *they must conduct action research (classroom instruction based) to enrich instructional competence. Hence, they are required to conduct and complete at least one (1) action research every school year.*
5. *To ensure that all Masters Teachers shall conduct action research as one (1) of their duties and responsibilities as reflected in their Competency Profile, they shall be required to attach their approved completed action research in their IPCRF which will be thoroughly checked during the calibration and throughout its approval.*
6. Immediate dissemination of this memorandum is desired.
