February of the year is the National Dental Health Month (NDHM) celebration spearheaded by the Philippine Dental Association that started in the year 2004 through the Proclamation No. 559 declared by Former President Gloria Macapagal Arroyo. This year's theme of the NDHM celebration is, **"Brushing is a MUST Kahit naka MASK"**. This month-long observation promotes dental awareness and dental care to strengthen the oral health and lessen the incidence of dental problems among Filipino people.

In line with this, the Capiz Division School Health Section, collaborates with the Philippine Dental Association-Capiz Chapter to conduct a **DENTAL HEALTH AWARENESS webinar on February 24, 2022, Thursday, 9:00 o'clock in the morning**. Selected Officers of PDA-Capiz chapter will be the resource speakers in this said activity. The webinar will be aired thru MS Teams (<https://bit.ly/SDOCAPIZNDHM>) and streamed through the facebook page ([Schools Division of Capiz Medical/Dental Online Consultation](#)) live platform. This benefits our teachers and learners as we strengthen oral health promotion and dental literacy in our schools in this time of pandemic
