Dear Dr. Uytico,

Re: Request for Support

We would like to extend our sincere gratitude for your participation along with your good office in our coordination meeting for regional, division, and district levels held last March 22, 2022. As discussed in the meeting, the study will include a qualitative component involving key informant interviews and focus group discussions to describe the roles of stakeholders, assess strengths and gaps in implementation, and identify opportunities and challenges for the enhancement of WinS and school-based interventions using the One Health approach.

As such, we plan to conduct a series of **face-to-face interviews and focus group discussions** in the provinces Antique and Capiz on **March 28-April 6, 2022**.

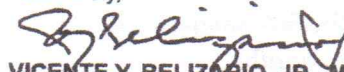

In this regard, we would like to request if your good office could provide support on the aforementioned dates:

1. Assistance to **identify and contact Division WinS Coordinators** of from the Division of Antique and Division of Capiz
2. Assistance to **identify and contact District WinS Coordinators** from the District of San Jose de Buenavista, District of Tobias Fornier, and District of Panay
3. **Availability** of the indicated key informants, and recruitment of focus group discussion participants. Kindly refer to the table below for the proposed schedule of activities.

Should you have any concerns, you may contact **Ms. Anna Beatrice Enriquez**, Research Assistant, at **+63 932 156 9892**, or through email at **abenriquez@up.edu.ph**.

Thank you, and we look forward to your favorable response to our request.

Yours truly,

VICENTE Y. BELIZARIO, JR., MD, MTM&H
Dean and Project Leader
