**MESSAGE**

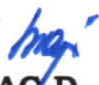

My heartfelt felicitations to the graduates and completers of School Year 2021-2022!

As always, completing a particular level of the educational ladder is a great success and a reason for jubilation. More so when the milestone was achieved under extraordinary and trying circumstances like what our graduates and completers of this school year have gone through. The pandemic brought tremendous challenges to the world and the education sector in particular. Pursuing their educational endeavors in the midst of these adversities proved so much resilience and perseverance on their part.

The theme of this year's End-of-School-Year rites, "Gradweyt ng K to 12: Masigasig sa mga Pangarap at Matatag sa mga Pagsubok (K to 12 Graduates: Pursuing Dreams and Fostering Resilience in the Face of Adversity), aptly describes and recognizes our graduates and completers. It is our hope that they will continue to exhibit these traits as they pursue their chosen path in life.

As we congratulate our graduates and completers, we also extend our gratefulness to all those who journeyed with them in this endeavor. We sincerely thank their parents and other family members, friends, school officials, teachers, community leaders and the many partners and stakeholders of our schools who contributed much in making this achievement possible for them. Truly, their manifestations of love and support are a significant source of strength and encouragement for all who toil for the formation of our young people through quality, relevant and liberating basic education.

Lastly, in behalf of the entire DepEd Capiz Division, congratulations and may God bless us all!
