Subject: **HYPERTENSION AWARENESS CAMPAIGN THROUGH 'MAY MEASUREMENT MONTH' AND CHECKING THE CONDITIONS OF BP DIGITAL DEVICES DISTRIBUTED IN 2018**

The Office of the Undersecretary for Administration (OUA), through the Bureau of Learner Support Services-School Health Division (BLSS-SHD), enjoins all Regional Offices, Schools Division Offices and schools to take part in the observance of **May Measurement Month**, extended until September 2022.

One of the activities is the **hypertension awareness campaign** where the blood pressure (BP) measurement of participating individuals is taken, recorded and reported along with other health information for research purposes. Education on hypertension, its prevention and treatment are also provided.

The drive is spearheaded by the Philippine Society of Hypertension (PSH). It was **launched in May** and **will run until 15 September 2022**.

During this period, school health personnel, particularly **medical doctors and nurses**, are directed to conduct BP monitoring among Department of Education (DepEd) learners, personnel and other persons (e.g., parents, school visitors) **who are at least 18 years old** and to submit the accomplished forms to PSH for consolidation.

As an **incentive to the participating school health personnel**, for every **500 submitted accomplished forms** (validated) that will be submitted by a DepEd doctor or nurse, **he/she will receive one (1) unit of digital blood pressure monitor from the PSH**.
