**SUBJECT:    BSP SUPPORTS DepEd's 2022 BRIGADA ESKWELA NATIONAL SCHOOLS'  
               REPAIR AND MAINTENANCE WEEK**

1. This is with reference to the National Office Memorandum No. 49, s. 2022 RE: **BSP SUPPORT DepEd's BRIGADA ESKWELA NATIONAL SCHOOLS' REPAIR AND MAINTENANCE WEEK.**
2. **Background.** The education of the Filipino youth is everybody's concern. While the government is tasked to provide free quality education to every Filipino child and youth, the community where they grow is an important stakeholder in their education. The private sector, which will sooner or later employ these young Filipinos, is an important stakeholder as well as in their education. The successful collaboration of all of these stakeholders is therefore pivotal in ensuring that Filipino children and youth go to school, remain in school and learn in school. It was with this spirit of volunteerism and public partnership for education that Republic act 8525 or the "Adopt-A-School Act" was made in 1988. Through the Adopt-A-School Program (ASP), private sector companies and professionals are given the opportunity to contribute in improving the public education system of the country. Pursuant to the Department Education Order No. 34 series of 2022, the Brigada Eskwela runs from August 1 – 26, 2022 nationwide.
3. **Rationale.** Anent the **BSP's Vision 2025 Strategy Map, Strategic Priority on "Community Involvement"** under the perspective of **"Social Impact"** through **"Scout Helping Create Better Communities"**, the BSP, Capiz Council enjoins all Scouting Districts/Areas, Sponsoring Institutions and Scout Units to call for the service of all registered Boy Scouts, Senior Scouts, and Rover Scouts to provide support and assistance to the **2022 BRIGADA ESKWELA** in preparation for **Balik Eskwela 2022**. All participating Scouts and Scouters is advice to wear their neckerchief during the conduct of activity.
4. **Aim and Objectives.** The BSP's call for Support to **DepEd's Brigada Eskwela 2022** aims to promote Citizenship Training, Character Building and Skills for Self-Reliance. It further seeks to inculcate the value of Social Responsibility and Civic Consciousness among Scouts and Leaders through their active involvement and participation in Community Service and Development Projects in their schools nationwide.

At the end of the Brigada Eskwela, the Scouts should be able to:

- A. Help contribute in the repair and maintenance of schools before the opening of classes;
- B. Create or build projects that will help ensure safe, clean and healthy environment for all pupils and students;
- C. Acquire necessary competencies in earning their Scouts of the World Award.
- D. Earn their Rover Quadrants or the Chief Scouts Nation-Builder Award
- E. Earn their Messenger of Peace badges.
- F. Acquire skills related to the Merit Badges such as Home Repair, Electronics, Electricity, Carpentry, Masonry, Gardening and Safety among others.

5. **After Action Report.** Document your community service and development projects during the Brigada Eskwela with complete pictures and brief narrative description of the services you have rendered in the school "before", "during" and "after" the **Brigada Eskwela** and send it to the **BSP Capiz Council office, BSP Capiz Council FB Page, Scout Capiz FB account, FB messenger, Rodil Fegarido Estrellan and Warren Paredes** to increase our reach and online engagement.
