Environmental Management Specialist I
CaPENRO |

TOPICS TO BE DISCUSSED:

- **Trees for Climate Action**

Importance of trees in balanced ecology and sustainable communities and in combating climate change.

- **Nursery Establishment**

This aims to promote seedlings viability for every community-based tree growing activity. This will teach communities how to collect seedlings and propagate them, how to care for the seedlings in the nursery, and how to properly plant them.

MIGUEL MAC D. APOSIN EdD, CESO V
Schools Division Superintendent
Department of Education-Division of Capiz
Brgy. Banica, Roxas City, Capiz

Dr. Aposin:

Environmental Greetings!

Republic Act No. 10176 otherwise known as **"An Act Reviving the Observance of Arbor Day by Authorizing the Local Government Units the Responsibilities for Celebrating the Day for Tree Planting as an Annual Event"** mandates all provinces, cities, and municipalities with their component barangays to revive the implementation of Arbor Day or Tree Planting Day.

The celebration will heighten the environmental consciousness of the Capisnons and generate greater participation and integration of efforts through the extended celebration of environmental protection concern and awareness in the province.

Relative to this, we would like to ask your support by organizing a tree growing activity or any related activity in celebration of National Arbor Day, that will highlight the importance of the conservation, protection, and restoration of the environment.

Your continued support and commitment to our joint undertaking is highly appreciated.

Thank you and more power.

Very truly yours,

MARIA LEOBETH B. DESLATE-DELICANA
Provincial Legal Officer/Concurrent Acting CaPENRO
