MESSAGE

With grateful and joyful hearts, we warmly extend our greeting to our completers and graduates this School Year 2022-2023 as they mark a significant milestone in their lives. The whole DepEd Capiz Division extend our heartfelt congratulations not only to them but also to their family, teachers, school officials, and the myriad of supporters who contributed in making this triumphant chapter in their lives possible.

Truly, those who have achieved this accomplishment deserve high regard and commendation because of the unique circumstances and challenges that they had to face and overcome. Ensuring that learning continued amidst the scenario brought by the pandemic demanded not only competence and innovativeness on the part of the teachers and school officials but also perseverance and patience from everyone. Resilience had become the battle cry of the times and the hallmark of successful individuals and institutions. Schools, for instance, had to navigate through the odds to ensure not only the continuity but also the quality of learning as well.

On the other hand, these adversities also provided an opportunity for our educational system to be more innovative in order to be relevant in the midst of the new challenges. This gives us more confidence that our graduates and completers are better prepared to go through life.

Further, the achievements of our learners provide affirmation and inspiration for our education stakeholders, especially their teachers. These create in all of us a positive outlook and bright hopes for the future of our learners and our country as a whole.

Finally, our prayers for all of our completers and graduates that God's blessings be upon them always.

Congratulations!

MIGUEL MAC D. APOSIN EdD, CESO V
Schools Division Superintendent
