Dear **Dr. Aposin**:

The Science and Technology Information Institute of the Department of Science and Technology (DOST-STII) has developed its first digital library-in-a-box known as Science and Technology Academic and Research-Based Openly Operated Kiosks, or STARBOOKS to provide free Science, Technology and Innovation (STI) information and learning resources in various communities in the country. STARBOOKS now offers comprehensive e-lessons, e-quizzes, and activities encompassing all subjects for students from Grades 1 to 12.

In pursuit of our objectives, we have partnered with Programa Genio under the ABS-CBN Lingkod Kapamilya Foundation, Inc. (ALKFI). Through this collaboration, we have successfully deployed STARBOOKS in 20 public schools within Sorsogon and extended its reach to over 100 public schools in the province of Romblon this year.

In the upcoming deployment, Programa Genio has identified their 66 beneficiary schools in the province of Capiz to be the next recipients of the STARBOOKS mass installation activity initially scheduled between September 12-15, 2023.

In this light, we kindly request permission from your esteemed office to conduct the STARBOOKS mass installation to be held in a recipient school with a reliable electricity supply. Additionally, we seek your endorsement to the beneficiary schools of Programa Genio and other interested schools to install STARBOOKS in their computer units.

For any clarifications or concerns, we can arrange a virtual meeting to discuss the details of this activity. You may also reach us through our email at starbooks@stii.dost.gov.ph or mobile numbers: 09568711864 | 09289403539.

Thank you for your help in making this event a success.

Very truly yours,

RICHARD P. BURGOS
Director
