Narrative Report on the  
Unit IV - 3x3 Basketballs (Girls)  
Participation in the Division Meet

The Unit IV 3x3 Basketball Girls Team recently participated in the Division Meet dated November 28-30, 2025, representing the unit with dedication and sportsmanship. Throughout the competition, the team actively competed in all scheduled elimination games and demonstrated commendable skill and teamwork. Their efforts resulted in four (4) notable victories during the elimination round.

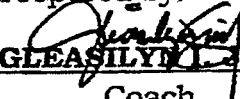

However, after the conclusion of the elimination games, it was discovered that one of the player of Unit IV in person of Shellana Pearl F. Dairo who participated in the Division Meet had not taken part in the preceding Unit Meet. The player was allowed to join the Division Meet due to the coach's misunderstanding of the rules and procedures regarding player replacement and eligibility.

Upon review by the Division Screening and Accreditation Committee, the situation was thoroughly clarified. The committee provided clear explanations and interpretations of the established rules and procedures governing player participation. Through this guidance, the coach acknowledged her oversight and fully understood the lapse that occurred.

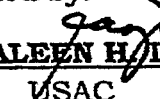

In adherence to the regulations and with respect to the integrity of the competition, the coach and players accepted the sanction imposed by the Division Screening and Accreditation Committee. As ruled, all wins earned by the team during the Division Meet were forfeited.

Despite the setback, the experience served as an important learning opportunity for the entire team and coaching staff. They remain committed to upholding proper procedures and ensuring full compliance with eligibility guidelines in future competitions.
