GRADUATION MESSAGE

Prepared to Lead: Graduates of Competence and Character

A school year closes today, but what it leaves behind is far greater than its ending — it leaves behind resilience, growth, and a community strengthened by hope.

This is the very spirit of our theme: “*Filipino Graduates: Prepared to Lead with Competence and Character (Pilipinong Nagsipagtapos: Handang Mamuno nang May Kakayahan at Mabuting Pagkatao).*” Today, we celebrate not just completion, but readiness — readiness to lead with both skill and heart.

School Year 2025–2026 has tested us in many ways. Yet here we stand — stronger, wiser, and more united. Our graduates/completers are not defined merely by the diplomas they receive today, but by the courage they have shown, the discipline they have practiced, and the values they have chosen to uphold.

To our dear graduates/completers: you are the living proof that competence is built through hard work, and character is formed through the choices you make when no one is watching. Laging tandaan na ang tunay na lider ay hindi lamang magaling, kundi marunong makinig; hindi lamang matalino, kundi may malasakit; hindi lamang nangunguna, kundi nagpapakatao— at higit sa lahat may tiwala at matibay na pananampalataya sa Diyos.

To our teachers and school leaders: your dedication has shaped destinies. In every lesson prepared with care, in every word of encouragement offered during moments of doubt, you have planted seeds that will continue to grow long after this ceremony ends. Hindi matatawaran ang inyong ambag sa paghubog ng kabataang may kakayahan at mabuting puso.

To our parents and stakeholders: your trust, partnership, and silent sacrifices have sustained this mission. Education flourishes when a community believes in its children — and today, we witness the fruit of that shared faith.

As we send forth the Class of 2026, we do so with pride and with prayer. May you lead not for recognition, but for service. May you use your knowledge not for self-gain alone, but for the good of others. At sa bawat hakbang ninyo, dalhin ninyo ang dangal ng pagiging Pilipino — may tapang, may integridad, at may malasakit.

You are ready!

Ready not only to succeed, but to serve.
Ready not only to dream, but to act.
Ready to lead — with competence and with character.

Congratulations, graduates and completers of School Year 2025–2026.

The future is not something you wait for.
It is something you help build— beginning today!
